

REMARKS

The examiner's notification of allowance of claims 9 and 10 is noted with appreciation.

The examiner has apparently overlooked the presence of claims 4 and 5 which depend from claims 9 and 10, respectively, and presumably, are therefore also allowable.

Claim 11 has been amended by deleting the passage after the period which, as the examiner has pointed out, repeated what had previously been recited, thereby obviating the rejection under 35 USC 112.

Favorable reconsideration of the application is requested.

Respectfully submitted,
/Robert .W. J. Usher/
